

Team Action Learning

Team action activities are a great way to develop teamwork skills and have a blast at the same time. They are used to reward results, and get people working together outside of the normal work environment.

TMS has a range of activities designed to mimic the challenges faced in the workplace. To be successful teams must plan, innovate, share ideas, listen, make decisions, allocate roles, meet quality standards, review progress, and so on.

The 'MackIntosh's' team taking part in the 'Papparazzi' Challenge at Matakana Country Park

The 'Red Alert' activity at Whangaparaoa Lodge

We have a number of activities set up at venues throughout NZ, or we'll design the activity where you want it.

Sample Activities

Papparazzi Challenge
Blind Start
Red Alert
Operation Moustache
Photo Quest
Moonwalker

Sample Venues

Matakana Country Park
Waitakere Estate
Huka Falls Lodge
Wairakei Resort
Whangaparaoa Lodge
Margrain Vineyard
